**Summary:** On August 9, 2005, Matthew Freedman, attorney for The Utility Reform Network (TURN), met with Aaron Johnson, advisor to Cmmr. Grueneich, in San Francisco. Also present was Julie Fitch, advisor to Cmmr. Peevey. Freedman discussed some of the challenges facing the application of the Renewables Portfolio Standard program to Electric Service Providers and provided information on the Procurement Entity concept developed by TURN and members for the Alliance for Retail Energy Markets. In particular, Freedman emphasized the need for long-term contracts to be executed on behalf of direct access customers in order to spur the development of new renewable generation infrastructure. **Summary:** On August 11, 2005, William H. Booth, counsel for MidAmerican Energy Holdings Company and PacifiCorp, met with Robert Lane, advisor to Cmmr. Bohn, in San Francisco. Booth stated that applications for approval of the transaction have been filed in each of the six states in which PacifiCorp operates and that it anticipates several of those proceedings will involve extensive evidentiary hearings. Booth discussed the applicants' decision to request an exemption under Section 853(b) of the

Public Utilities Code and their hope that the Commission will be able to process the application expeditiously. Booth also explained that the recent passage of the Energy Act by Congress will simplify the approval process by removing the need for approval by the Securities and Exchange Commission.
